ASSISTANCE REQUEST FORM

The office of the Motor Industry Ombudsman of South Africa (MIO) deals with all complaints on a "first come first serve" basis.

Reference No: 323794

For official use only

The MIO must be informed immediately, should the circumstances regarding your complaint change before this the office of the MIO can attend to it. This also applies while this office is processing your complaint.

The ambit of the MIO's mandate to deal with complaints is confined to the boundaries of the terms and conditions of the agreement the contracting parties entered into, excluding issues which are of an indirect or consequential nature flowing from such a contract.

In addition the MIO will not entertain the resolution of a dispute when "prima facie" it appears that a criminal offence has been committed by either party or where it appears from any statute of the Republic of South Africa (RSA) that the MIO has no jurisdiction:

The MIO will not deal with a complaint when it is lodged on the grounds of delict, claiming damages from the other party.

The following parties should have been approached before officially lodging your complaint with the MIO:
